Dear People of Amazing Grace,

The long warm days of summer are upon us and finally, finally, finally we are able to meet together in person again, thanks be to God! Summer reminds of God's bounty and God's blessings: tomatoes ripening on the vine, zucchini growing and growing and growing, and long, lazy dinners outside under the stars.

Summer also reminds us that God's bounty is for all of God's creation - from the bee lazily visiting the flowers to the birds gathering berries and even the groundhog digging through our garden. We can learn from these creatures, as Proverbs reminds us:

"Go to the ant, you lazybones; consider its ways, and be wise. Without having any chief or officer or ruler, it prepares its food in summer, and gathers its sustenance in harvest." (*Proverbs 6:6-8*)

This summer will be a time for us to plan and prepare for our future: we'll be restarting Sunday School and Confirmation, planning for Youth Trips for the next summer (God willing), running a Stewardship campaign, and looking for more ways to reach out to our neighbors. Please pray and ask that God guide through all our plans this year and may God bless your summer!

Yours in Christ,
Pastor Susanna

Bible Study in person and on Zoom The Gospel of Matthew

Wednesdays 10:00 am
