Dear People of Amazing Grace,

Our community is a generous group of people! People committed to Jesus. People committed to our church. People committed to God's call to be generous. People committed to the Kingdom of God.

Over the past two years, I have the Kingdom of God amongst us as kids encountered Jesus at VBS, youth discussed their faith in online Confirmation classes, the homeless were served through MCREST, the hungry were fed through our Little Free Pantry, and people dove deeper into discipleship through Bible Study and service.

Most importantly, we continued to proclaim the good news of Jesus Christ in word and deed, even in the midst of a global pandemic. We are now reaching out to new people through our livestreamed worship.

None of this could have happened without your generosity!

This month, as we conduct our stewardship campaign, you will hear stories of how your generosity has and will continue to enable us to maintain excellence in ministry, to deepen and expand our worship experience, and to welcome all who use our building.

We invite you to prayerfully consider your response to our stewardship campaign so that we can continue to plan for the exciting work God has in store for us.

Thank you for your generosity! Pastor Susanna
