

How to Worship with Amazing Grace

We have many ways that you can connect with us for worship during this time!

1. Sunday Worship on Zoom - the link and phone number are sent out each week via our Constant Contact email. You can also call the office to receive the phone number and link.
 - a. Join via the online link on your computer, laptop, tablet, or smart phone.
 - b. Call in to the service to listen with ANY kind of phone (it does not have to be a smart phone!)
2. Sunday Worship videos are posted on Amazing Grace's Facebook page, Pastor Susanna's Facebook page, and Amazing Grace's website.
3. Morning Prayer videos are posted Monday - Friday on Amazing Grace's Facebook page, Pastor Susanna's Facebook page, and Amazing Grace's website.

Amazing Grace and the Pandemic

We have been worshipping virtually since March 15. Synod guidelines ask us to refrain from in-person worship at least until Michigan is in Phase 5 (we are currently in Phase 4). Once we enter Phase 5, we will explore ways that we can worship in person with fewer people in the sanctuary, masks required, and social distancing.

We know that some people will still need to worship from home because of health concerns, and we will be providing a Zoom and a video recording option even once we return to in-person worship. It's likely too that a number of meetings and Bible Study will continue to be held on Zoom or with a Zoom option.

+++++

Thank you for all the donations and support to help us feed 30 homeless women and children through the MCREST program the week of October 4th! So far, we have raised \$4,195.44.

+++++

Offerings can now be dropped off in our new mail slot located to the right of the front doors at the main entrance at church. It drops into a locked box inside the building. Denise will be checking it regularly. Thanks to Dorian and Kevin for installing it!

+++++

Our first Drive-In worship was a success. Over 17 cars attended, and we had 23 devices log in via Zoom. **We will hold our second Drive-In service on October 11th at 10 am** - hope to see you there! Please check out the Drone aerial video shot by Michael Muzzin on Facebook and the website!
